Construction Underway for \$125 Million Tower

*Boston* – Turner Construction Co. has begun construction for ONE Marina Park Drive, a new \$125 million Class A office building that is part of the Fan Pier development in Boston. Situated along the waterfront, the 18-story, approximately 500,000-square-foot office building is part of the first phase of construction for the 21-acre master planned project. Developed by The Fallon Company, Fan Pier is set to include 3 million square feet of first-class office space, a hotel and spa, luxury residence and a 6-acre marina.
