Mass Challenge announces the 110 entrepreneurs that will enter the final stretch of the world's largest business plan competition. These 110 entrepreneurs will be vying for their share of a \$1 million prize pool for the most innovative, high-growth startups. Mass Challenge's 110 finalists will work from ONE Marina Park Drive at Fan Pier in Boston's Innovation District. The initial pool of applicants from April has been whittled down from 440 entrants from 26 countries and 24 states.
