MRE Celebrates Opening of Residential Building in South Boston

Milton Residences for the Elderly and Boston Mayor Thomas M. Menino joined developer Joseph Fallon, South Boston Elderly Residences, and the community for a ribbon-cutting ceremony June 4 to celebrate the addition of the 376 West Fourth Street Apartments to the community. The newly renovated residential building boasts 18 affordable one-bedroom apartments for the elderly. Occupancy began last month.

The development is the result of a collaboration between the Fallon Company, the Boston Redevelopment Authority and the Department of Neighborhood Development. MRE will provide both property management and support services to the residents living at 376 West Fourth St.
